We would like to ask each of the veteran knitters attending to consider bringing copies of several of their favorite beginner projects and any stash yarn they might wish to swap. The instructor will be bringing a yarn stash and patterns to sweeten the swap.

Suggested Equipment:

1. Those new knitters coming for basic instruction may purchase the beginner's knitting supply kit for an additional twenty dollar fee. This will include all supplies needed, including yarn.
2. Veteran knitaholics attending will bring their own supplies and projects unless interested in instruction in a specialty technique, such as cable or entrelac, If so you will need to notify us so that a project kit will be made available for purchase.
3. camera
4. binoculars
5. WHBB Knot of Knitters Bags will be available for purchase

Should you have any further questions or concerns please contact Betty by e-mail or phone.
